

Dear (Employee Name):

After a terrific effort, our United Way campaign has come to an end. I want to personally thank you for believing in our community by your investment in greater McHenry County. Your support exemplifies the spirit of United Way's movement, LIVE UNITED, advancing the common good by giving your time, talents, and treasure. You should feel proud in knowing you've made a measurable difference in so many lives. Because you cared enough to give, thousands of families – including some in your neighborhood – will receive the help they need to improve their lives.

As a member of the [COMPANY NAME] team, you have focused on the community and demonstrated through your investment that we are willing to step up and become involved in helping build a stronger, more caring greater McHenry County.

This year we raised more than \$[AMOUNT] for United Way. The investment we made will make a real difference in the issues and problems that impact our community every day.

Thank you so much for joining us to LIVE UNITED. Because of you, United Way of Greater McHenry County is able to help people, support families and strengthen local communities.

Sincerely,

(CEO Name)
